

KITTEN CARE PACKAGE

Get off to a good start with your new kitten by insuring that all his/her routine health care needs are met with the Kitten Care Package. We'll give you a schedule of vaccinations, exams, and tests during your first visit. You won't have to worry about forgetting something important, and you'll know the cost of all routine care for the first year.

We want to help you and your new kitten in any way we can during his/her first year with you!

You may have questions or just need to talk to someone about feeding, training, or any other aspect of pet ownership. At each visit, you will be educated about the care of your new friend, and have a chance to ask questions. We also welcome phone calls about pet care during our business hours.

Cost of package \$323.00

Payment is due at your kitten's first visit. This entitles you to the above price, which is 10% less than the normal fees for the same care!

Kitten Care Package includes:

- Thorough initial examination by the veterinarian of your choice
- Feline Leukemia/FIV Test
- 1st **and** 2nd Feline Leukemia vaccination
- Rabies Vaccination
- 1st, 2nd, **and** 3rd Distemper/Respiratory vaccination
- Fecal Test to check for internal parasites
- De-Worming medication
- New Kitten Pack, with information and goodies
- Education and information about the care of your kitten
